

THE
OXFORD

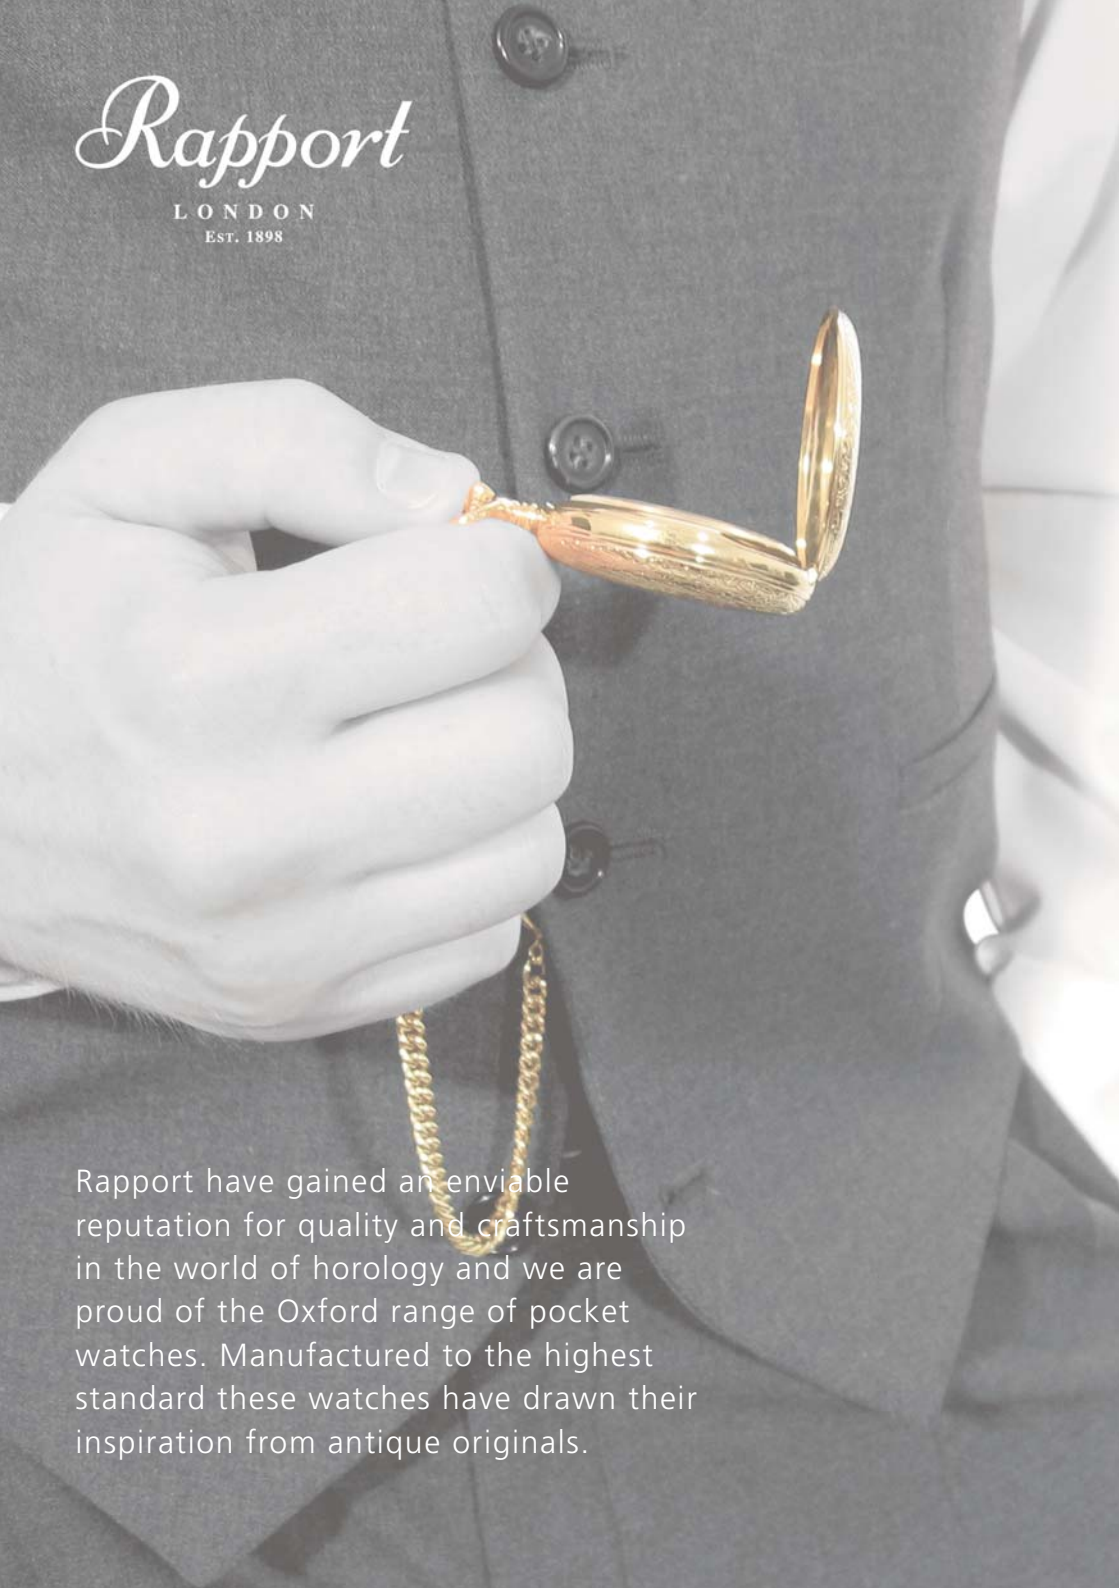

RANGE *of* POCKET WATCHES

Rapport

LONDON

EST. 1898

A close-up photograph of a hand holding a gold pocket watch. The hand is positioned on the left side of the frame, holding the watch by its chain. The watch is open, showing its gold casing and a small, round face. The background is a grey suit jacket with dark buttons. The overall tone is elegant and sophisticated.

Rapport

L O N D O N

EST. 1898

Rapport have gained an enviable reputation for quality and craftsmanship in the world of horology and we are proud of the Oxford range of pocket watches. Manufactured to the highest standard these watches have drawn their inspiration from antique originals.
